Agenda

1. Open forum for the consideration of goal areas...
 - o Student Achievement
 - o Technology
 - o Transitions
 - o Intervention systems
 - o Communication
2. Determine plan for sharing with the School Board

Goal Areas

- o Student Achievement
- o Transitions
- o Intervention systems
- o Technology
- o Communication

➤ Are there any other areas of need that we should consider?

SIAC Goals

- o Continue to focus efforts of school improvement on accelerating growth for all students and on closing the gap for students with IEPs.
- o Expand the role that technology plays in all classrooms.
- o Develop ways to more effectively meet the specialized needs of all students.
- o Develop and communicate plans to address student transitions both within the system and post-graduation.
- o Enhance communication to increase parental involvement and engagement.

Other examples..

- o Ontario – four interconnected goals
 - o Achieving excellence
 - o Ensuring equity
 - o Promoting well-being
 - o Enhancing public confidence
- o CBCSD – seven strategies
 - o Student achievement and strengthen interventions
 - o Positive perception of the district
 - o Long-term funding
 - o Organization culture as a great place to work
 - o College and career readiness
 - o Behavioral and mental health issues
 - o Integration of technology

In the room...

- o On your own, walk the room and consider...
 - o What goal areas continue to require focus at our level?
 - o What goal areas would prioritize toward the top?
 - o Are there areas that you feel no longer require SIAC emphasis?
 - o Are there other important areas that emerge for you?

At your table...

- o Discuss these same four questions with your group.
 - o What goal areas continue to require focus at our level?
 - o What goal areas would prioritize toward the top?
 - o Are there areas that you feel no longer require SIAC emphasis?
 - o Are there other important areas that emerge for you?

Open Forum

Have a cookie!

We will take a ten minute break.

For the School Board...

- o Framing the goal area recommendations
- o When and who should present

Thank you very much
for your participation
this year!
