

See Jane Run
By Joy Fielding
Reviewed by Jennifer Kern

This is the best book I've ever read. I could not put it down....the suspense in this bizarre novel keeps you turning page after page, learning new and unique details of this woman's nightmare, until you are at the shocking end. A must read.

One afternoon in late spring, Jane Whittaker went to the store for some milk and some eggs and forgot who she was. Jane Whittaker has awakened to a nightmare. She doesn't know her name, her age or even what she looks like. Frightened and confused, she wanders the streets of Boston wearing a blood-stained blue dress and carrying \$10,000 in her pocket. Her life has become a vacuum, her past vanished or stolen. And all that remains is a handsome, unsettling stranger who claims to be her husband, whispered rumors about a dead child whom she cannot recall, and a terrifying premonition that something truly horrible is about to occur.
