

This is a recommendation for Bernie Heller for the Lewis Central Hall of Fame.

Bernie started volunteering coaching Lewis Central youth sport programs in the late 1970's. In 1988 Bernie started volunteering with the football stat crew at all varsity football games and is still doing it today. During this time, he has been at over 95% of all the varsity games (that is home and away). In the 1980's and into the 2000's Bernie was a leader in the Lewis Central Booster Club and Lewis Central Foundation.

Bernie has been one of the top volunteers for the Lewis Central community for over 40 plus years. From my research and according to Steve Padilla, previous Activities Director at Lewis Central, Bernie would never turn down an opportunity to help out with any program at Lewis Central.

Over the last eleven years that I have served as Activities Director for Lewis Central High School, Bernie has announced, ran the clock, and/or did score books, for all the 9th grade and JV football games, 9th/JV and varsity basketball games, track meets, wrestling matches, some volleyball games, and I know that I am forgetting something. Bernie has never said no to helping at any event that I have asked him to help with.

I cannot think of another person within the Lewis Central community that has given more time and effort to the students of Lewis Central. He deserves to be in the Hall of Fame.
